## EXECUTIVE SUMMARY

### DESCRIPTION

City Directory Report is a screening tool designed to assist environmental professionals in evaluating potential liability on a target property resulting from past activities. City Directory Report includes a search of available city directory data at 5 year intervals.

### RECORD SOURCES

Digital Archive combines historical directory listings from sources such as Cole Information and Dun & Bradstreet. These standard sources of property information complement and enhance each other to provide a more comprehensive report.

is licensed to reproduce certain City Directory works by the copyright holders of those works. The purchaser of this City Directory Report may include it in report(s) delivered to a customer. Reproduction of City Directories without permission of the publisher or licensed vendor may be a violation of copyright.
